Modena Features

Algreen's Modena self watering planters add refined elegance to your home. Available in high gloss or matte finishes and in a variety of sizes to suit a wide range of home decors

Manufactured using a proprietary engineered polymer resin with UV Inhibitors and is frost proof to protect from the elements. These sophisticated planters include an easy to lift Internal plant liner to make planting simple. The large water reservoir supplies water to your plants as required and is designed to reduce watering frequency.

The Modena's water-level indicator shows you when the reservoir needs more water, making it easy to grow beautiful plants and flowers Inside or outside.

- Manufactured from a durable polymer
- Frost resistant and UV stabilized to provide protection from the elements
- Removable internal liner and caster wheels on planter base makes moving and planting effortless
- Available in a range of elegant glossy colors as well as sophisticated matte tones to suit any decor
